

AQUA SOFT. PRODUCT INFORMATION SHEET

Simulation test Aqua Soft

Simulation test domestic paper

Name	Aqua Soft
Short product description	Rapid dissolving toilet paper
Volume	4 rolls in 1 package
Ply quantity	2-ply
Sheets quantity	Each roll averages 270 sheets
Weight	Approximately 115 grams per roll
Sheet size	10 x 12,5 cm
General USP's	<ul style="list-style-type: none"> - Dissolves quickly - Prevents clogging - Easier to empty waste-holding tank - Prevents malfunctions or damage to the waste-holding tank - Super-soft toilet paper
Positioning	In Thetford Aqua range of additives
Consumer proposition	A specially developed super-soft toilet paper that quickly dissolves in your waste-holding tank. This prevents clogging and makes the waste-holding tank easier to empty. Ordinary toilet paper doesn't break down so easily and can cause blockages. When you use Aqua Soft, you prevent malfunctions or damage to your waste-holding tank while also protecting its moving parts.
Performance	Paper falls apart, see above pictures and animation on home page of Thetford web site
Environmental seals	None
Health & environment classification	None
Transport classification	None
Order quantity in bag	12 x 4 packs
Quantity on pallet	32 bags of 12 x 4
